Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Friday 24 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright in the east. Patchy rain in the west. Breezy.

Today:
Dry and bright in the east with sunny spells. Rather cloudy in the west, patchy rain and drizzle, mainly across the Western Highlands and Dumfries and Galloway at first. Breezy with strong to gale force winds across the Northern Isles.

Tonight:
Mainly dry this evening with the best of the clear spells across the north and northeast. Outbreaks of rain and drizzle developing in the west and northwest overnight. Breezy.

Saturday:
Mainly dry and bright with some sunny spells, any rain across the north and northwest soon dying out. A breezy day and very warm in any sunshine,.

Outlook for Sunday to Tuesday:
Dry and bright for much of Sunday. Breezy, strong southerly winds around the coast. Rain pushing east, clearing into the North Sea early Monday. Then bright with scattered showers.
